The image shows a screenshot of the UniPlaces website. The background is a blurred photo of a modern student apartment. The UniPlaces logo is in the top left. In the top right, there is an orange button labeled 'LIST YOUR PLACE' and text asking if the user is an accommodation provider, with a link 'IT'S FREE!'. The main headline reads 'Booking your student home has never been easier'. Below this is a 'Pick a city:' section with three buttons: 'LISBON', 'LONDON', and 'MADRID NEW' (which is highlighted). To the right of these buttons is a link 'Looking for another location? Let us know!'. Below the city buttons is a search bar with the placeholder text 'Type area or university'. To the right of the search bar is a blue 'GET STARTED' button with a right arrow. At the bottom, there are two links: 'Anywhere in Madrid' and 'Find out about the best areas in Madrid'.
